Change Without Prior  
Notice.

FOUNDED 1967

N.A.W.C.C. 146222

Dear Valued Customer,

June, 2014

We would like to take this opportunity to thank you for your interest in our products & your support during the past 47 years.

We will continue to pay the freight charges within the Continental United States, EXCEPT for chime blocks, weights, wooden pendulum sticks, floor clock kits, lyre pendulums & pendulums 55cm or longer, all liquid cleaners, & glass over 7" dimension. Due to postal & freight rate increases, we must have a **HANDLING CHARGE OF \$8.00 ON ALL ORDERS LESS THAN \$70.00**. A UPS surcharge of \$2.90 for residential deliveries, & \$5.25 for rural designated UPS zip code deliveries will be assessed when applicable. UPS handling charges are subject to change without notice. If you are a resident of Ohio, please add 7% for sales tax or provide a sales tax number if the items are for resale. For our Canadian friends, please note that actual freight will be added to your order. Orders for Herschede items will be charged actual freight in addition to any handling charges that apply.

Items will be automatically back-ordered if they are \$10.00 or more. Any item under \$10.00 will be back-ordered ONLY upon your request. Any back-order that can not be filled within 60 days will be cancelled. Please reorder. Handling will NOT be charged on back-orders.

When ordering by telephone, please have your order written out & give the quantity desired first, followed by the part number.

We are now accepting ORDERS via e-mail to ensure accuracy and convenience. Please do not send any questions you may have via e-mail. You may e-mail your orders to: **randmimports@yahoo.com**. Please include: name, customer ID (or zip code), part numbers, and quantity desired. We will send you an e-mail confirmation when your order has been sent. Again, this service is for **ORDERS ONLY**. Please call 800-762-5015 if you have any questions.

We accept bank cards (Visa, Discover, and Mastercard) & ALL PAYMENTS must be in U.S. dollars. Prices billed will be those in effect at the time of shipment. Accounts are available to qualified individuals & firms. Please request a credit application. No C.O.D.'s.

In case your shipment is damaged, we suggest the following:

1. Shipment via UPS - Hold the parcel to include the packing material.

Notify UPS so claims can be initiated then notify R & M to let us know you have started the claim.

2. Ship via Mail - Please advise your Post Office of the claim.

Returns must be received by R & M within 30 days of invoice. **A COPY OF THE INVOICE AND A NOTE EXPLAINING THE REASON FOR THE RETURN MUST BE INCLUDED FOR CREDIT TO BE APPLIED.** Returned items must be in new condition. Items will not be accepted if they are used, modified or altered. All movements must be securely packed in the factory box and shipped inside a shipping box. A 10 % restocking fee will be issued on all non-defective merchandise.

We are open Monday thru Friday 8:00am - 4:30pm eastern time. We are closed for all major holidays.

While this catalog represents our most popular items, there is a large selection of unique or limited supply items that are not included in this catalog. Be sure to contact us directly for assistance locating any items that you do not see listed here.

We will continue to offer prompt service and hope we can serve your needs now and in the future.

Sincerely,  
R & M Imports

R & M VOLUME DISCOUNT			
Amount Ordered	\$150.00	\$300.00	\$600.00
<b>Total Discount</b>	2%=\$3.00	3% = \$9.00	5% = \$30.00
<b>Total Cost of Parts</b>	\$147.00	\$291.00	\$570.00
<b>Amount Saved</b>	<b>\$3.00</b>	<b>\$9.00</b>	<b>\$30.00</b>

This savings is for orders from the catalog only! L & R ultrasonics, mechanical movements, cuckoo clocks, spring winders, clock kits and Herschede parts are excluded.

\* The shutoff on the old unit was made at the 3, 6, & 12 o'clock positions. The new unit has a shutoff at the 3 o'clock position only. Attach a brass rod to the shutoff & drop behind the dial into the case to change the chime selector if necessary.

NOTE 1 - On both the UW32 and UW3 series, the / mark is interchangeable with "0". That is the UW32/1 is the same as the UW32001.

NOTE 2 - On all Urgos movements a letter follows the UW#. These are all interchangeable. The letter "A" indicates dead beat. All other letters B, C, D, & E are automatic beat.

NOTE 3 - If you have a number for which there is no cross reference, we need the following information: 1) UW#, 2) Chain or Cable wind, 3) Westminster or Triple chime, 4) handshaft from the front plate to the tip in mm, & 5) the length of the pendulum from the suspension post to the tip in cm or the bph.

NOTE 4 - Those units with a beat rate of 4050/hr replace original units having a rate of 4080/hr and require lengthening the pendulum by about .5 inches.
